

**SCHALICK H. S. ATHLETIC DEPARTMENT  
MICHAEL CLARKE, DIRECTOR OF ATHLETICS  
(856) 358-2054 EXT. 4119**

Dear Parents:

Your son/daughter has expressed a desire to participate in the Interscholastic Athletic Program at school. We expect each athlete to be a credit to himself/herself, his/her family and the school.

A Student Pre-Participation Physical Form will be given to athletes requiring a new physical to be completed by their physician. Athletes with a current physical will be given a Health History Update to be filled out and signed by parent/guardian.

1. The entirety of the physical packet is to be completed by your family physician, Physician Assistant or Nurse Practitioner and submitted to the school nurse at least **2 weeks prior** to the first official day of practice. **If you do not have a family physician or nurse practitioner the student must contact the school nurse immediately to make arrangements for a medical examination.** The physical and health history forms are required by New Jersey School Law and must be completed every 365 days.
2. If the child's physical is still current a Health History Update Questionnaire's must be completed within 90 days of a new sports season. The update informs us of any changes to your child's health since their last physical. **The parent must sign and date bottom of the page.**

Please carefully read and sign the Parent Approval Form as well as the athletic registration forms online at <https://schalick-ar.rschooltoday.com>. **Before a student may participate in athletics, all forms must be completed online and the physical exam form submitted for review and approval by the school doctor.**

**Timelines for submission of forms are as follows:**

**Fall Sports, last day of school in June; Winter Sports, November 1; Spring Sports, February 28th.**

**Once again all registration forms must be completed online immediately; Physical Exam forms must be submitted and reviewed by the school doctor prior to participation in athletics.** Any form not filled out in its entirety will be returned to the athlete for completion. This procedure has been adopted for the welfare of our students. With your cooperation, it can be carried out with minimum inconvenience and maximum effectiveness.

If I can be of any service to you, please feel free to contact me at the Athletic Office.

Sincerely,  
Michael Clarke  
Director of Athletics

**"IT'S A MATTER OF PRIDE"**

# Asthma Treatment Plan – Student Parent Instructions

The **PACNJ Asthma Treatment Plan** is designed to help everyone understand the steps necessary for the individual student to achieve the goal of controlled asthma.

- 1. Parents/Guardians:** Before taking this form to your Health Care Provider, complete the top left section with:
  - Child's name
  - Child's date of birth
  - Child's doctor's name & phone number
  - An Emergency Contact person's name & phone number
  - Parent/Guardian's name & phone number
- 2. Your Health Care Provider will complete the following areas:**
  - The effective date of this plan
  - The medicine information for the Healthy, Caution and Emergency sections
  - Your Health Care Provider will check the box next to the medication and check how much and how often to take it
  - Your Health Care Provider may check **"OTHER"** and:
    - ❖ Write in asthma medications not listed on the form
    - ❖ Write in additional medications that will control your asthma
    - ❖ Write in generic medications in place of the name brand on the form
  - Together you and your Health Care Provider will decide what asthma treatment is best for your child to follow
- 3. Parents/Guardians & Health Care Providers together** will discuss and then complete the following areas:
  - Child's peak flow range in the Healthy, Caution and Emergency sections on the left side of the form
  - Child's asthma triggers on the right side of the form
  - Permission to Self-administer Medication section at the bottom of the form: Discuss your child's ability to self-administer the inhaled medications, check the appropriate box, and then both you and your Health Care Provider must sign and date the form
- 4. Parents/Guardians:** After completing the form with your Health Care Provider:
  - Make copies of the Asthma Treatment Plan and give the signed original to your child's school nurse or child care provider
  - Keep a copy easily available at home to help manage your child's asthma
  - Give copies of the Asthma Treatment Plan to everyone who provides care for your child, for example: babysitters, before/after school program staff, coaches, scout leaders

## PARENT AUTHORIZATION

I hereby give permission for my child to receive medication at school as prescribed in the Asthma Treatment Plan. Medication must be provided in its original prescription container properly labeled by a pharmacist or physician. I also give permission for the release and exchange of information between the school nurse and my child's health care provider concerning my child's health and medications. In addition, I understand that this information will be shared with school staff on a need to know basis.

## FILL OUT THE SECTION BELOW ONLY IF YOUR HEALTH CARE PROVIDER CHECKED PERMISSION FOR YOUR CHILD TO SELF-ADMINISTER ASTHMA MEDICATION ON THE FRONT OF THIS FORM.

*RECOMMENDATIONS ARE EFFECTIVE FOR ONE (1) SCHOOL YEAR ONLY AND MUST BE RENEWED ANNUALLY*

- I do request that my child be **ALLOWED** to carry the following medication \_\_\_\_\_ for self-administration in school pursuant to N.J.A.C.:6A:16-2.3. I give permission for my child to self-administer medication, as prescribed in this Asthma Treatment Plan for the current school year as I consider him/her to be responsible and capable of transporting, storing and self-administration of the medication. Medication must be kept in its original prescription container. I understand that the school district, agents and its employees shall incur no liability as a result of any condition or injury arising from the self-administration by the student of the medication prescribed on this form. I indemnify and hold harmless the School District, its agents and employees against any claims arising out of self-administration or lack of administration of this medication by the student.
- I **DO NOT** request that my child self-administer his/her asthma medication.

1. Remove epinephrine auto-injector from its protective carrying case.
2. Pull off both blue end caps: you will now see a red tip.
3. Grasp the auto-injector in your fist with the red tip pointing downward.
4. Put the red tip against the middle of the outer thigh at a 90-degree angle, perpendicular to the thigh.
5. Press down hard and hold firmly against the thigh for approximately 10 seconds.
6. Remove and massage the area for 10 seconds.
7. Call 911 and get emergency medical help right away.

**ADMINISTRATION AND SAFETY INFORMATION FOR ALL AUTO-INJECTORS:**

1. Do not put your thumb, fingers or hand over the tip of the auto-injector or inject into any body part other than mid-outer thigh. In case of accidental injection, go immediately to the nearest emergency room.
2. If administering to a young child, hold their leg firmly in place before and during injection to prevent injuries.
3. Epinephrine can be injected through clothing if needed.
4. Call 911 immediately after injection.

**OTHER DIRECTIONS/INFORMATION** (may self-carry epinephrine, may self-administer epinephrine, etc.):

Treat the person before calling emergency contacts. The first signs of a reaction can be mild, but symptoms can worsen quickly.

I have examined the above-named student and completed the preparticipation physical evaluation. The athlete does not present apparent clinical contraindications to practice and participate in the sport(s) as outlined above. A copy of the physical exam is on record in my office and can be made available to the school at the request of the parents. If conditions arise after the athlete has been cleared for participation, a physician may rescind the clearance until the problem is resolved and the potential consequences are completely explained to the athlete (and parents/guardians).
